

Industry Standard (e.g., Commercial Banking)	Disclosure Topic (e.g., Systemic Risk Management)	Accounting metric code (e.g., FN0102- 02)	Line of disclosure, where relevant (e.g., .09)	Technical Agenda item number (e.g. #4-10)(in Conclusion Document)	Proposal/Comment to Add measures	Reason
Leisure Facilities	Customer & Worker Safety	TA06-13-01		Technical Agenda Item #6-13 Description	<p>Total Recordable Injury Rate & Total near Miss Frequency Rate (Total = Permanent + Seasonal) - Quantitative</p> <p>The standard just proposes to report the injury rate of the employees and contractors. It is beneficial for the investor if the injury rate of total workforce is mentioned. When the company is reporting Employee and Contractors data, it is easy to report total values.</p> <p>However total rate cannot be calculated by adding employees & contractors' rate as denominator for calculating employees & contractors are different.</p>	
Hotels & Lodging	Labor Practices	TA06-08-01		Technical Agenda Item #6-8 Description	<p>Suggestion to add legal fees of labor law violations to TA06-08-01 (Total amount of losses as a result of legal proceedings associated with labor law violations) as legal fee is part of legal proceedings.</p>
